

March 18, 2020

Dear Members:

Much like local municipalities, school districts, community organizations and businesses, we are making decisions every day to balance our commitment to serving your needs with our responsibility to support the global effort to contain the coronavirus. With that said, NIFEDCU is making the following operational adjustments:

Merrillville

Effective Friday, March 20th, the Merrillville Office will close its lobby and provide full-service transactions via the drive-thru and telephone. Lobby access for loans or critical deposit/member services issues will be available by appointment only. This is a temporary adjustment anticipated until Monday, April 6th.

Drive-Thru/Operating Hours

Monday	8:30-5:30
Tuesday	8:30-5:30
Wednesday	8:30-5:30
Thursday	8:30-6:00
Friday	8:30-5:30

LaPorte

Effective, Friday, March 20th, the LaPorte Office will close. At this time, the office is scheduled to re-open on Monday, April 6th. LaPorte Members that utilize a shared branch office, may request reimbursement of shared branch fees.

In addition to our Merrillville office, NIFEDCU offers other delivery channels including Home Banking, Mobile Banking, 24-Telephone Banking and the Night Depository (Merrillville).

NIFEDCU is also a member of the CO-OP Shared Branching Network that provides our members access to over 5000+ branches and two (2) Surcharge-Free ATM networks offering over 55,000+ ATMs across the nation. Members can access both networks from our home page at www.nifedcu.org.

Please do not hesitate to contact us directly with any questions or concerns 219-942-3377.

In meantime, be safe & healthy.

Sincerely,

Christine Biasi
President & CEO
