

Our Branch in LaPorte Is Still Closed - But Not Forgotten!

Our LaPorte office must regrettably remain closed due to the continued staffing shortages. We cannot thank you enough for your patience and understanding as we work through these uncertain times.

We remain committed to our responsibility towards both our members and our employees. We are currently working on staffing our Merrillville office, which we hope to accomplish in the next few months.

Once that has been completed, we can then work towards the next steps for the LaPorte office.

As a reminder, during this temporary closure, LaPorte members may request a credit for up to 4 shared branching transactions each month.

Thank you for being a member.
