EMPLOYEE SPOTLIGHT

Stephanie Iber

Every successful organization has those people working behind the scenes who make everything come together and for us that person is Stephanie Iber, Vice President of Operations and Service Strategy.

She brings a unique combination of dedication, problem-solving, and leadership to her role. She is constantly thinking about how we can improve, how we can better serve our members, and how we can make things work more efficiently for both our members and our team. She works tirelessly to strengthen our operations, improve member experience, and help move our credit union forward.

Her work may happen behind the scenes, but the difference she makes is anything but invisible. We are incredibly fortunate to have Stephanie as part of our leadership team and grateful for everything she does to help make NIFEDCU the credit union it is today.

MAKE A DIFFERENCE THIS FALL!

We are proud to host our 3rd Annual Food Drive benefiting the Food Bank of NWI from October 26 through November 20. This year, our food drive carries even greater importance as our community continues to recover from the devastating storms. Many families are facing unexpected expenses, and access to food can make a meaningful difference during difficult times.

We invite our members, employees and community to join us in giving back. Every donation helps provide food and hope to our neighbors who need it most. Together, we can fill the shelves, support local families, and show the strength of our Northwest Indiana community. Bring your nonperishable food donations to Northern Indiana Federal Credit Union during the food drive and help us make our 3rd Annual Food Drive our most impactful one yet!

MEMBER TESTIMONIAL

"Highly recommend!! I have had many different types of loans with them over the years! They are so easy to work with, efficient, and get you the best rates around! I have personally worked with Pam and Doug and they are great! If you need a loan, or somewhere to bank, this is the place to be!"
