## MEMBER TESTIMONIAL

"I am happy to be a member of Northern Indiana Federal Credit Union. I have been a member for three years now, and I come in quite often for assistance from the ladies. When I first signed up Pam helped me with setting up my card information onto my Amazon site for ordering. She also helped me with my mortgage payment to the mortgage company. I am forever grateful. I love NIFEDCU so much, that I got my oldest daughter to come in and open an account as well."
